

GS

The image features a stylized logo consisting of the letters 'G' and 'S' in a bold, black, sans-serif font. The 'G' is on the left and the 'S' is on the right. Between them is a red geometric shape that resembles a stylized 'U' or a bridge. This red shape is composed of several parts: a large, rounded, downward-pointing triangle on the left, a small upward-pointing triangle on the right, and a horizontal bar at the bottom. The overall design is modern and minimalist.
